YOUNG @ HEART

BY STEPHEN WALKER

FREE COMMUNITY SCREENING EVENT

Get ready to rock with the most entertaining golden oldies you will ever meet in the senior citizen's chorus Young@Heart. With a show only weeks away, they must learn a slate of new songs ranging from James Brown to Coldplay. The chorus's director leads them through tough rehearsals, proving that rock and roll can be hard work—especially if you're hard of hearing! Climaxing in a triumphant performance, their inspiring story celebrates the unbreakable bonds of friendship and the life-affirming power of music.
