

MELSA Responses to RFI Requests for Clarification

RFI: Digital Early Learning Resource | June 20, 2020

1. Are you interested in new digital resources for early learning or should we limit our answers to the product(s) you currently subscribe to?
 - A. We are interested the product we are currently subscribing to and any others that would also address early learning. Pricing is requested for products individually as well as any bundle discounts that may be available.

2. Since the RFI responses are not due until August 7, 2020, should the 8 week free trial start on July 10, 2020 or August 10, 2020?
 - A. 8-week trial access is needed starting August 10, 2020.

3. We would like to know if there was any contract awarded as outcome of the same 2017 MELSA RFI FOR DIGITAL EARLY LEARNING RESOURCE.
 - A. Yes, it was awarded to Scholastic, specifically for the BookFlix resource.
